## Troels Gravesen's Introduction:

A moderately sized addition to the popular line of Faital based 3-way speakers.

Featuring the new 10" bass driver (10RS430) and delivering impressively deep bass, when factoring in the size of the speakers.

Exceptional dynamics and transparency due to using premium drivers and premium crossover components.

### **IMPORTANT!**

**Please read our sales terms to read about how the DIY kits are delivered and other important information.**
